Aspire2Be

Year 5 children met Janine, Wes, Adam and Joey from the Royal Navy. Our children learned about the incredibly varied career paths that the Navy offers. They also learned how the Navy operates as one organisation, prevents conflict and offers security for our nation. The children loved making their own flares in the classroom which were then launched in the playground to end the session.

British Values

Another fantastic week has passed with a wide range of activities, events and learning for our school community. We have continued our focus on the Fundamental British Values and have the can be applied to school.

Merit Winners

Congratulations to our well-deserved winners. They have been superb role models, have had 100% attendance last week and have demonstrated a good understanding of Fundamental British Values and our Commando Joe's character values. They should be extremely proud of themselves!

School Nurse

The School Nurse is holding a drop-in session on Tuesday 22nd October between 8:45-9:45. If you would like to discuss anything with her, please call along to the main office. Appointments are not required.

HARTLEPOOL BOROUGH COUNCIL

Parent/Carer Consultation Evenings

A text and email were sent out last week including information for booking a slot for our upcoming parent/carers consultation evenings on Monday 4th or Wednesday 6th November (the week after the half-term holiday).

Sport

Well done to both of our tag-rugby teams who got through to last Tuesday's Town Finals and demonstrated some outstanding skill, speed and coordination.

Well done also to our runners who got through to the Tees Valley Cross Country Finals last Wednesday afternoon at Stewart Park in Middlesbrough. They demonstrated tremendous resilience across some terrain and distance.

Inhalers

If your child uses an inhaler in school, please ensure it is brought in the original box, with the prescription clearly labelled. You must also complete the relevant paper work at the office
