

Arts Week

What a brilliant week we have had! The children's creative talents have been in full affect this week, and the output is magnificent. If you are in school over the coming weeks, please check out the displays in the main hall!

Aspire2Be

A busy day at the office! Some of our Year 5 children had the opportunity to visit the PwC Newcastle offices this week. They were warmly welcomed by volunteers who discussed a range of roles within their organisation and developed their skills in listening, team-work and problem solving. They got a tour of the office and were treated to a delicious lunch with views of the city. Thank you, PwC, for opening our children's minds to the world of possibilities out there.

It was also wonderful to welcome Samantha Reeve back into school following her first visit with us last year. Thank you to Samantha and Jacqueline Sharp from NatWest who worked with our Year 1 children on Thursday and supported them with a 'Super Smoothie' workshop. Children were given a budget and a choice of ingredients to choose from. They loved spending their budget to create their smoothies.

Summer Fair

A reminder that the Summer Fair takes place on Thursday 18th July between 3:30pm and 5:00pm. We look forward to seeing you all there.

Year 3 Cricket

Well done to the Year 3 children who took part in the cricket festival at Seaton Cricket Club on Thursday.

Rocksteady Performance

The roof was raised again yesterday! Twice in fact! Our rock band members performed for the school and then parents and carers in two knock out performances! Their confidence was out of this world!

Newsletter

Friday, 5th July

Sponsored Cycling

Many thanks to Red Sky Foundation and North East Cycles for making this morning's event another memorable one. Thank you all for your extremely generous donations and sponsorship – the children have once again helped raise (with yourselves also) much need support funds for many children and their families in need.

Sports Day

It was with deep regret that we had to postpone Wednesday's Sports Day. As communicated previously, Tuesday July 9th is our back-up day. Fingers crossed the weather looks after us! Please note the times below:

KS2 (Y3, Y4, Y5 and Y6)
9.45am

Reception and KS1
(Y1&Y2) 1.30pm

Access will be through normal school gates for each end of school.

As also previously communicated, KS2 children will be expected to stay in school for the rest of the afternoon.

Eco-Club Litter Pick

Thank you and well done to our Eco-Club for getting out and about this afternoon and looking after our community. Collecting what they did helps to tidy-up, and keep a safe environment for residents and creatures living in the local area. Well done kids!

New Starter Events

We had another great night on Tuesday welcoming more of next year's Reception new starters. It was lovely to see you all and thank you for the positive feedback. We look forward to September!
