

### Author Event - Y4 and Y5

Cathy Fitzgerald will be hosting an event in school on **Thursday 13<sup>th</sup> June**. There will be opportunity for the children to buy a book and have it dedicated on the day. If any other children would like to purchase a signed copy, please let Mrs Keen know via the school office.

## Newsletter

**Friday, 17th May**

### Fens Science Selfie Competition 2024

After last year's amazing Science 'Selfie' entries we have decided to run the Science 'selfie' competition again as part of Science Week. It is an excellent way for children to identify what Science looks like, not just in the form of an experiment but in everyday life. The children will need to take a selfie (who doesn't like a selfie?!), with the caption, 'This is Science because...'

### Y6

Well done to our Y6 children this week for their hard work and determination during the SATS. Thank you very much for your support. The children will have a well-deserved treat at Larry's Lanes on Wednesday 22<sup>nd</sup> May.

### Aspire2Be

In collaboration with Maritime UK, and in celebration of the International Day for Women in Maritime, our Year 4 children virtually welcomed a number of maritime professionals into their classrooms today. The children had the opportunity to learn about jobs at sea from an all-female panel of maritime professionals through a fun and interactive game called, 'What's My Line?' They got to meet a Deck Officer, a Boat Builder and a Port Manager. The volunteers talked further about their jobs, touching on what they do, the subjects they use in their roles/the subjects they enjoyed at school and what they enjoy most about their careers. This experience allowed us to challenge stereotypes, expand our horizons and learn about the diverse and exciting world of maritime careers.

### Merit Winners

Well done to our merit winners. As well as having 100% attendance, they have also demonstrated our Commando Joe 'Excellence' character value.

### Red Sky Foundation

Please see below a communication from Red Sky Foundation:

Red Sky Foundation has been able to secure extra places in the Mini & Junior Great North Run, on Saturday 7<sup>th</sup> September. Every year the places get snapped up straight away, so we're extremely lucky to have access to the spaces; they are limited so it's first come first served, but one thing for sure those taking part will have such a brilliant time representing school and #TEAMREDSKY.

Please see the link anyone interested in signing their children up for a bib number.
