The visit will take place on **Monday 23<sup>rd</sup> September – Tuesday 24<sup>th</sup> September 2024**. There will be two full days of activities with one night staying at Carlton Adventure.

### Outdoor Developments

If you have been on either of the school playgrounds this week, you will have noticed the new tarmacked areas. These are where our bike sheds will eventually go. Presently, the council is looking into planning permission, and once we receive the information required we can push on with the next stage of developments. We will keep you posted!

The tarmacked area to the front of the school will be developed in due course, but this is not for bikes.
